- Check when the car was last serviced and consider a winter check if the service was some time ago.
- Tyres need to be checked and should not be allowed to deteriorate to the legal limit.
- Ensure that you have winter-grade wash for your screen and an adequate de-icer.
- Ensure that you have a valid insurance certificate and any breakdown cover with you in the car.
- Ensuring that you carry some spare clothing and a shovel, and perhaps consider a flask of coffee/soup or something to sustain you if you ever became stuck.
