

Notification of Mobile Waste Days from NYCC

Hello

Please see the proposed dates for the mobile household waste recycling centre attendance in Reeth for 2023/24:

All Saturdays (Reeth - Village Green, Reeth DL11 6SY):

- 15 July
- 28 October
- 16 March

Please let me know if there are any dates which we will need to amend due to the area being used for other activities? Otherwise if they are all ok please let me know and we will update and email out the usual leaflet and update our webpage [Mobile household waste recycling centres | North Yorkshire County Council](#) at the beginning of March.

Many thanks for your assistance in delivering this service.

Kind regards

Jenny Lowes

Service Improvement Officer

Waste Management

North Yorkshire County Council
