	Action
<b>1 Apologies – Mr Martin Wallis (MW)</b>	
Mr Sam Hutchinson explained about his role working on the Community Mapping Project for Julia Mulligan who is the Police and Crime Commissioner for North Yorkshire.	
He is interested in learning about groups or charities that meet in the area. He also wanted to know about types of crime relevant to our community, which were felt to be theft of farm machinery/equipment/fuel, wildlife crime, fly tipping and littering.	
Mr Hutchinson encouraged residents to make use of the Community Messaging Service, (see link below). Once signed up for this free service, you will either receive an email, text or an automated message detailing any incidents in your area. <a href="https://www.northyorkshirecommunitymessaging.org/">https://www.northyorkshirecommunitymessaging.org/</a>
