		Action
1	Apologies – Mr R Ridley (RR)	
2	Minutes of the meeting held on 7th Feb 2019 The minutes were read out for the Parish Council Meeting. No amendments were received. Cllr Phillips proposed and Cllr Coates seconded that the minutes were a true and correct record. Cllr Phillips and the Clerk signed the minutes.	
3	Matters Arising Spending of Precept Money <ul style="list-style-type: none">• The Wild Cherry Gem tree has been planted and fitted with a temporary guard. Quotes can now be obtained for an ornate tree guard.• Obtain prices for solar lights to decorate trees in the village for Christmas 2019	PC JW

The Parish council would appreciate any ideas and feedback so they can assess they are being effective with the precept spending.

An Emergency Contact Card has been drafted and approval obtained from Mr Patrick Murphy who performed the Defib training. Once printed the card will be issued to every household in the parish.

Repair to cattle grid at Long Green - Damage to the cattle grid at Long Green has not been repaired.

Further correspondence was sent in January 2019 from the Parish Clerk to Highways Department which included current photos of the Cattle Grid. A response was received on 14 March 2019 *stating it is the responsibility of Barningham Estates to maintain the cattle grid and discussions are ongoing with the land agent to progress a repair/replacement. In the interim period we will monitor the area to ensure there are no safety related defects that need attention.*

Green Lane Skelton to Helwith – Repair work is due to commence in the ‘spring’.

An email is to be sent to Highways to suggest a Temporary Closure to be enforced during the winter months (Nov-April); this could prolong the life of any repairs.

JW

Subsidence near Downholme Bridge – *Highway Officer inspected this road on the 19th February and raised an order for some localised repairs. These repairs were completed on the 25th February.*

Safety barrier at the Rake on the road from Marske to Helwith - The barrier was reported a numbers of years ago and Highways were going to perform a Safety Review.

Response from Highways – *the barrier was fully inspected on 26/10/18 and was graded as a low priority for replacement in comparison to other vehicle restraint systems in the district. However, we will continue to monitor until such time as this qualifies for replacement.*

Potential Air Pollution due to heather burning – An email to be sent to RDC requesting the pollution levels to be monitored during the heather burning season. National Parks to be contacted to review their policies on heather burning.

JW

Investigate options for on-line banking for the Parish Council account.

JW

The waste bin near the phone box in the village is to have the base levelled. Hopefully this will prevent the bin from tipping forward and spilling its contents.
