Good Afternoon All,

I have recently completed the speed gun course, but am only able to attend approved locations that we currently have a list of (most of the dales is not on this list). To get a location approved it needs to be logged on our website through this

link:<https://www.northyorkshire.police.uk/advice/advice-and-information/wsi/watch-schemes-initiatives/community-speedwatch/community-speed-watch/>

and select the link at the bottom (tell us about a location). This then goes off to be checked and assessed before being added to the list of locations we can come to with a speed gun. If you get a chance can you please complete the link and also pass it to anyone else who has speed concerns. At present, if a speeder is caught a warning letter is sent, as the PCSO speed gun scheme is quite new, this will hopefully develop in to tickets/fines in the future.

Thank you

Kind Regards

Sharon Diamond

YDNP Consultation

Dear all

This is to let you know that the first public consultation on updating the [Yorkshire Dales National Park Management Plan](#) has just been launched. A copy of the press release can be found [here](#).

The consultation is being run on behalf of the [partnership of local organisations and interests](#) that is responsible for producing the Plan. The partnership wants this to be a 'wide and open' consultation, simply asking people to identify the key issues that they think the revised Management Plan most needs to tackle.

The consultation period will last 6 weeks, ending on Monday 26 February.

The online survey for you to complete to respond to the consultation can be found [here](#).

There is also a short film, which we hope will encourage people to respond and which we will be promoting through social media etc - which can be found [here](#). Obviously, we would like to get in as many responses as possible, so do please share and promote the consultation with as many other people as you think appropriate.

Separately, the National Park Authority has also commissioned and produced a film showcasing the National Park's [Special Qualities](#) – the landscape, wildlife, heritage and communities of the Dales. Hopefully, it shows why it's worth people caring about what happens to the National Park in the future.

A link to the survey and lots more information about the Yorkshire Dales National Park Management Plan can also be found on the [Yorkshire Dales National Park website](#).

The results of the consultation will be published in March, and will be used to inform the production of a series of 'Evidence Reports', which will be published in April. The Evidence Reports will then be used to start to identify potential objectives for inclusion in the updated Plan.

In the meantime, if you have any questions about the consultation then please just ask.

Kindest regards

YLCA Whole Council Training

WHOLE COUNCIL TRAINING

We are offering dates for councils to express an interest in having a YLCA Officer provide Whole Council Training at a venue of their choice. The council will be charged for the number of filled seats on the council, whether all councillors attend or not, although as this is training for all the members of a council, the idea is that everyone comes along to hear the information and guidance, to build better understanding and cohesion within the authority. The dates are provided in the programme below.

The three-hour session can be held during the day or the evening. To request this training please contact admin@yorkshirelca.gov.uk to request a booking form. Bookings will be taken on a first-come, first-served basis. Once the booking form is received it is a contract between the Council and YLCA. The cost for the training is £39.00 per person (councillors or officers, ie clerk) if YLCA has to book a venue, or £34.00 per person if the council provides and pays for a venue plus mileage at 45p per mile.

The training session will include:

- Duties, roles and responsibilities of the Council, Chair, Clerk and RFO
- Legislative powers and duties
- Meetings and their management
- Council business including lawful agendas and minutes
- Delegation to officers and committees
- The audit regime
- Transparency Code
- The council as an employer
- Data Protection and the UK GDPR overview
- Any aspect of local council administration that the council needs us to focus on.

Dates available:

Saturday, 11 May (MORNING ONLY)
Tuesday, 21 May
Tuesday, 4 June
Saturday, 22 June (MORNING ONLY)
Wednesday, 3 July
Thursday, 11 July

Best Kept Village

Dear Charlotte,

An Invitation

I am writing to share with you the new arrangements for the Best Kept Village Competition for 2024, and to invite your Village to take part.

We want to continue to celebrate the efforts communities make to provide lovely village environments. However, we also feel it is time to broaden the competition and to set some new challenges, which we hope you will find of real interest. Particularly, we wish to celebrate the many ways villages are seeking to encourage biodiversity and to support nature. A brief summary of the new proposals is provided below, but full information will be sent out to villages on receipt of entries.

Prizes

We have increased the total prize money this year by 25% to continue to provide an overall first prize of £400, and a further £100 prize for the best new entrant, as well as two further prizes of well grown saplings to reward two villages judged to have made a particular effort to encourage nature and bio diversity. These will be supplied at the appropriate time for planting.

The Competition Structure

The Village and nature

There are all the usual aspects of the competition, but in addition judges will be looking also, at the efforts the community is making to encourage biodiversity. You are welcome to direct the judges' attention to projects or spaces which provide wild environments, natural flora, and encourage animal and bird life. This may include simply allowing parts of the verges and hedgerows to remain wild, planting wildflowers or providing wood piles or pathways to encourage small mammals such as hedgehogs. From our previous experience, we know many villages have already been engaged with this, both in public spaces and private gardens.

Community Involvement and Access. Judges have been impressed by the diverse effort villages of all sizes have made to encourage involvement in projects like community gardens and orchards, and the efforts to improve access for all. This will continue to be a feature

An incentive to enter.

We are also providing an extra prize of £100 to the best village which has entered for the first time, or for the first time since 2019, unless of course that village wins the first prize.

Involvement in the Judging

To help our judges we wish to enable you to highlight the actions you as a village have taken this year to respond to the new guidelines regarding biodiversity, and the encouragement of nature and wildlife. If you would like to do so we invite you to provide judges with a brief overview of your entry or special features. These may be sent to the organiser's E-address, joshuddleston@gmail.com **prior to 25th June.24** Please be brief and include the contact for the correspondent.

Feed back

MARSKE AND NEW FOREST PARISH COUNCIL

Clerk to the Council – MRS Charlotte Smith

Telephone:07557997285 Email: clerk@marskeandnf-pc.org.uk

We understand that villages would like feedback after the competition to guide their next year's entry. Although as a small club, we are not able to provide individual feedback to each village, this year, we will provide a general un-named summary of shared aspects from all villages that judges merited, and those features that detracted from the scores. We appreciate your understanding in this.

The Programme and Entry details

February - Entries sent out

March

- **No specific entry form is required but please submit your wish to enter by the 31st of March 2024 by email to joshuddleston@gmail.com**
- **With your entry please confirm your village name, and the address for correspondence, if different to the one used with this invitation.**
- **The Club will send out the Judge's advice to villages when they submit their entry.**

June

Reminder to Villages of Judging

Judges will contact the person nominated to provide village information in late June or early July.

July

Judging will take place in the first two weeks of July.

August

The winners in the categories will be informed and presentations arranged A general feedback, to all participants will be sent.

The villages of Richmondshire are beautiful, and we appreciate how much effort goes into encouraging everyone to take part in, and contribute to this event by preparing the communal areas and buildings, individual gardens and business premises. Please accept our thanks for considering this and we look forward to your participation. I take this opportunity to thank members of the Richmond Rotary Club for their effort in maintaining this competition.

Every good wish,

Jos Huddleston
